NEWS OF MEN

IN SERVICE

Pvt. HUGH MOODY of Niles came west from Missouri with his outfit on Sunday and is at Angel Island awaiting shipment "out there." He had a short leave Tuesday afternoon and visited relatives in Niles. He has been in service for three months.

Fred Duffie's brother-in-law, a Lieutenant in the Tank Corps left Indio three weeks ago and is somewhere "out there."

GEORGE SMITH, Decoto tile manufacturer left here Monday for Hawthorne, Nevada to serve as a civilian employee of the 12th Naval District as inspector of construction. He is a past president of the Niles Rotary club and a past commander of the Washington Township Post, American Legion. His wife and two sons are remaining in their home at Decoto. (In his free time, George, who is an ardent golfer can practice putting at rattlesnakes. Quien sabe?)

Lt. J. L. PEARSON, formerly of Niles, is acting as Personnel Adjutant at the big new Army camp at Pittsburg, while awaiting shipment "out there."

Friends of Corporal NIELS NIELSEN of Niles received letters from him this week. Niels has been in Australia six months and likes it fine but is looking forward to the summer and warmer weather. One of the boys in his outfit made a pet of a native cockatoo and another has a kangaroo for a pet.

Private ROLLAND ADAMS, son of Mr. and Mrs. Lewis H. Adams of Irvington, who has been stationed at Jefferson Barracks, Missouri, has been transferred to the Army Air Corps Flight School at Las Vegas, Nevada, where he will continue his training. He reports the weather is even hotter there than in Missouri. The boys are kept pretty busy but he likes the Army life fine and hopes to be a first class gunner by the time he completes his training.

Sergeant BARRON KENNELLY of Merced visited his parents in Niles on Sunday.

Word has been received by friends of EARL SEGRIST, formerly an employee of the California Nursery Company, that he is now a corporal and has recently been transferred to New York from Florida.

Cadet WILLIAM E. CRAMSIE of West Point Military Academy visited Mr. and Mrs. E. D. Bris-

WARREN FAVORS EARLY REDUCTION OF STATE TAXES

As the second step in a broad program of economy and tax reduction which he plans to inaugurate as Governor, Attorney General Earl Warren announced today that if elected he will seek immediate action by the Legislature to have the State take over the counties' share of old age pension costs, thereby enabling the counties to reduce property tax rates an average of 24 cents per \$100 of assessed valuation.

This phase of his program, Mr. Warren said, would make possible a tax saving of more than \$17,000,000 a year for California homeowners, farmers and other common property taxpayers.

In his first tax reduction statement several days ago, Attorney General Warren announced that he favored immediate repeal of the State Personal Income Tax. The saving to income taxpayers — roughly \$20,000,000 a year — coupled with the \$17,000,000 slash in property taxes proposed in his statement today would make possible a total tax reduction of \$37,000,000 a year.

The non-partisan candidate for Governor, in his statement today, again charged the Olson administration with reckless waste of public funds and declared that "If Governor Olson was dealing fairly with the people, he would call a special session of the State Legislature immediately and have the State take over the counties' share of old age pension costs at once, so that the saving could be reflected in the new tax rates which are now being determined."

SOME MORE SHOTS FOR THE JAPS

The Occidental Stove Company has razed its large metal tank. We are advised the Chicago Bridge and Steel Company had charge of the work. This tank stood on top of a derrick 120 feet high and had a capacity of approximately 100,000 gallons. This will surely make a healthy handful of headaches for the Japs.

tom on Tuesday. Mr. Cramsie is a cousin of Mrs. Bristow's.

Pvt. JOSEPH OLIVERIA, a member of an M.P. battalion who has been serving in San Francisco is now stationed in Oakland.

Ensign FRANCIS HOWE is now on special duty at the Naval Training School at Bowdoin College, Brunswick, Maine.

Sergeant TOM HOLIG of Fort Ord visited the L. H. Adams family on Sunday. He was here in Irvington for lunch and all had fun playing field croquet.

New Cartoon Sells War Bonds

The above cartoon poster, especially drawn to promote the sale of War Bonds and Stamps, will soon be seen throughout the United States. It is one of four new posters stressing new themes in the War Bond campaign.

SECOND METAL DRIVE YIELDS 3,300 POUNDS

The second Junk Metal drive held Sunday in the Niles School district only netted 3,300 pounds most of it derived from the Starr Ranch at Mission San Jose.

Because the chairman, Dr. T. C. Wilson was called to do clinical work at San Quentin Sunday afternoon he and another committeeman, Walter Waynflete, got the jump on the collection work by putting in Saturday afternoon, using a truck kindly donated by the Edenvale Nursery company.

On the return from the Starr ranch more donated junk was picked up at the Niles Rest Home, Donovans, Mrs. Whipple's and elsewhere.

The chairman weighed in Saturday's load early Sunday morning at the Steel mill and through lack of any other assistance, returned to his home.

The Air Raid Wardens of the Niles District will sponsor the next collection day in September, will do the work themselves and keep the proceeds for civilian defense needs, this newspaper is advised.

FARMERS MUST REGISTER THEIR LABOR NEEDS

HAYWARD — Dave Davidson, chairman of the California War Board of the United States Department of Agriculture, today cautioned farmers against the assumption that their labor difficulties are eased simply because formal agreement has been reached between the U. S. and Mexican governments for the emigration of Mexican farm workers into some areas.

It now becomes more imperative than ever that farmers register their needs with the U. S. Employment Service, Davidson said, for the reason that employment service is the agency designated to certify as to existing shortages.

"The Prerequisite to any action on the part of this government is establishment of the fact that a labor shortage exists and that other workers are unavailable," said Davidson. "One reason for this is that the U. S. must guarantee that any Mexican laborer brought in under the arrangement will be assured employment for at least 75 percent of the time he is here, Sundays excluded."

REV. GRABILL MAY RETURN TO NILES SOON

Reverend D. Q. Grabill, now recovering from prostration in the San Jose hospital, will be back at Niles in a week or two, ready to carry on the duties of acting Pastor at the Niles Congregational Church during the month of September, if his recovery continues at its present satisfactory pace.

This good news was brought to Niles on Monday by Walter Waynflete, chairman of the cabinet of the Church, who, with Mrs. Waynflete spent a pleasant hour Sunday afternoon visiting Reverend and Mrs. Grabill at the hospital.

Mr. Grabill can have visitors and will be pleased to see his new friends from Niles at 25 No. 14th Street, San Jose, where he is resting. He will have to rest and gather strength for a month or more before attempting the long drive back to Wisconsin, and the vacant Manse will provide an excellent quiet place for this purpose.

Reverend Benjamin Gould of Los Altos capably filled the pulpit at the Church on Sunday and will return again next Sunday, and thereafter until Mr. Grabill is strong enough to resume his ministry.

ALAMEDA CIVIC LEAGUE FIGHTS OLSON & SPERBECK

CIVIC BODY ENDORSES LIST AFTER FLYING CIVIL SERVICE ATTACKS

Recent attacks upon State civil service and the merit system by the Olson-Sperbeck administration at Sacramento today led the County of Alameda Civic League headed by Dr. Walter M. Taylor, to endorse a list of candidates pledged to maintain honest and efficient State Government and elimination of politics from civil service.

"The County of Alameda Civic League members have watched with considerable surprise and a measure of shock the manner in which the Olson-Sperbeck administration has endeavored to turn the State's civil service into a political machine," Dr. Taylor declared.

"The league insists that good government demands this practice be stopped, and State officials who have encouraged politics in civil service be eliminated."

Opposes Olson

"It is in line with this program that the board of directors and executive committee of the league decided to oppose the Olson-Sperbeck re-election campaign and support a list of candidates pledged to a program in the best interest of the people."

Dr. Taylor, president of the League, is president of the Oakland Library Board of Trustees, and a member of the Alameda County Institutions Commission. Other officers are: Vice-president, Emmett H. Hart, president of the Oakland Civil Service Board; secretary, William W. Hoffman, president of the Oakland Park Board. The executive committee includes these officers and Mrs. George E. Gross and J. H. Fitzmaurice.

The board of directors is composed of: Dr. Taylor, Hart Hoffman, Fitzmaurice, Mrs. Gross, Beach H. Dean, Mrs. A. B. Glasier, Claude Galmarino Earle S. Beatie, Gil Seaver, and Maxwell L. Boyd.

NEWARK PREPARES TO MUSTER IN GUARD PLATOON

NEWARK — Next Monday night Sergeant James Collins and Corporal Karl Nordvick expect to have 30 men at the grammar school here to be mustered in by State Guard officers from Oakland as the Newark Platoon of the Guard Reserve. Enlistment is still open for men from 18 to 60 years of age who will be uniformed, armed and drilled regularly, but without pay.

"POP" GOULD HEADS TOWNSHIP METAL DRIVE

District Attorney Hoyt last week appointed J. V. "Pop" Gould, new principal of Washington High school as Washington Township chairman of the continuing metal scrap drive for national defense uses.

Niles and Centerville have already organized their committees and have made metal collections; Newark's drive is being conducted by the fire department; leaving Decoto, Irvington, Alvarado and the Mission still to be combed for metal.

Re-elect

Dr. Mark L. Emerson

INCUMBENT

For Coroner of
Alameda County

Former Oakland City Health Officer

Dr. Mark L. Emerson is a former School Director

Past President of Alameda County Medical Association

Coroner of Alameda County

A Physician for a Physicians Job

AT THE PRIMARY AUGUST 25 1942,

EMERSON PROVES PHYSICIAN MAKES BEST CORONER

A Physician always makes the best Coroner as he can handle autopsy cases and inquests better than just a businessman. Dr. Emerson has proven that the medical profession has given him an opportunity to serve the public by clearly pointing out the facts to the men and women of the Jury.

Dr. Emerson was born in Vallejo, California. He is a graduate of the U.C. 1899 A.B., 1899 M.D.; Internship San Francisco County Hospital 1899-1900. His private practice in Oakland since 1900. Post Graduate work at Mayo Clinic and New York Polytechnic. Chief surgeon at Merritt Hospital since its opening in 1909. Fellow in the American College of Surgeons, former instructor in Surgery at University of California, a former director of Oakland and former City Health officer of Oakland. Elected County Coroner in 1938.

Member of American Medical association, California State and Alameda County Medical Societies (past president, Alameda County Medical Society) American Anthropological Society, Elks, Masons East Bay Boosters club, Alameda and Tilden Golf Club.

Dr. Mark L. Emerson, the Alameda County Coroner who got such a fine vote of confidence at the last election has made good so say the taxpayers. He has given service to each community in the Southern part of Alameda County where he has deputies who are efficiently handling all emergencies. Such representatives now on the job are Tom Berge and Ben Murphy.

In Irvington the Deputy Coroner is Thomas Berge of Berge's Mortuary. For 30 years, Berge has been rendering Mortuary service and

SUNDAY SCHOOL PICNIC

The annual Sunday School picnic of the Niles Congregational Church, postponed from late June was held on Tuesday when six women of the Church filled their cars with young people and took them up the Canyon to Silver Springs where they enjoyed a day of picnicking, swimming and games. About 40 children enjoyed the outing.

IRVINGTON CHURCH BIBLE SCHOOL BEING HELD DAILY

(Special to the Register)

IRVINGTON — A community wide Vacation Church School at the Irvington Community Church for two weeks started Monday, August 17. The school is held from 9:00 a.m. until 11:30 o'clock each morning Monday through Friday.

The program includes Bible Study, Handcraft, Recreation and Group Singing. The school is under the supervision of Philip Eval, student pastor of the church. Assisting him are Miss Dorothy Adams, Miss Ruth Justus and Mrs. Eval. All boys and girls of the community are cordially invited to attend each session of the school.

Miss Joy Brown of Newark received word this week of the promotion of her fiancé, Corporal BUD MELLOW to Sergeant in the United States Marines in Hawaii. Mr. Mellow was a graduate of Washington Union High School in 1939.

has served pioneer families well and has been proud of the proven ability of Dr. Emerson.

In Niles the Berge Mortuary Company is managed by that well known man, Ben Murphy — Both Ben and Tom were raised in Washington Township and believe that they should have our support.

The Equipment at the Mortuaries at Niles and Irvington of the Berge Company make them comparable with City establishments and they are proud to carry out Dr. Emerson's Service with Dispatch in time of emergencies.

NEWARK SCHOOL TO OPEN CLASSES ON SEPTEMBER 10

NEWARK — Jack MacGregor, principal of the Newark School, announces that the School will open on Thursday, September 10 with the same teaching staff as last year. In past years the school has opened in August, but due to students doing fruit and defense work this summer, it was necessary this term to open the school in September.

The Newark staff for the 1942-43 term consists of Jack MacGregor, principal; Miss Mary Shea, vice-principal; and Fred Reider, custodian. The teaching staff consists of Mrs. Arlene Ash, first grade; Mrs. Kathleen Vorhees, second and third grade; Miss Mary Shea, third and fourth grade; Mrs. Elsie Merritt, fifth and sixth grade; Miss Marjorie Iglehart, seventh grade; and Mr. Jack MacGregor, eighth grade.

During the summer while principals of other schools have been doing defense work, principal Jack MacGregor of the Newark school has been making a citizenship survey of the employees at the Westvaco Chlorine Products Corporation here.

HENRY P. MEEHAN SEEKS 2ND. DISTRICT EQUALIZATION POST

Henry P. Meehan, a legislator for the past 10 years, and a friend of our late Assemblyman James Cassidy is seeking election to the State Board of Equalization to represent the second district.

His chief opponent, Gordon Garland, cast six bad votes and was absent once on farm legislative voting.

Mr. Meehan cast six good votes and was absent once, according to State Grange Legislative report.

He seeks the support of the friends of the late Assemblyman Cassidy at the Primary Election next Tuesday.

NOTABLE PROGRAM PLANNED AUG. 25 AT NILES CHURCH

An evening entertainment of unusual interest is being prepared by Mrs. W. H. Ford of Niles to be presented Tuesday evening, August 25 at 8 o'clock in the newly paved patio and the Guildrooms of the Niles Congregational Church.

Township music lovers will enjoy hearing Mrs. Eva Garcia Milholland in costume presenting a variety of musical numbers preceded by sketches of the history and significance of her selections. She is kindly donating her talent for the benefit of the church.

Carrying out the Spanish motif which will feature the program, Mr. David Johnson, soloist at the Fourth Church of Christ Scientist in Oakland will sing baritone solos as follows: La Paloma, La Golondrina, and several popular arias from the opera Carmen, including Seguidilla, La Habanera and Toreador.

Mrs. Florence Russell, noted cellist from Oakland will play a group of Spanish and other selections.

Mrs. W. W. Briggs of Oakland, who has entertained here before will recite excerpts from the opera Carmen and will tell anecdotes about Enrico Caruso, whom she had known, and his singing of this opera. An effort is being made to present a short Spanish play as well.

Mrs. Niles Jacobus (nee Mary Bernard) of Oakland, formerly of Niles, will accompany several of the guest artists on the Spanish musical program.

A Spanish danseuse of unusual note has kindly consented to appear on the program, through the courtesy of Mr. E. F. Glassbrook of Niles.

CHRISTIAN SCIENCE CHURCHES

"God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." These words from II Timothy comprise the Golden Text to be used Sunday, August 23, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. The subject of the Lesson-Sermon will be "Mind."

Included among the Scriptural selections will be: "Be of the same mind one toward another. Mind not high things, but condescend to men of low estate. Be not wise in your own conceits. . . . If it be possible, as much as lieth in you, live peaceably with all men," (Rom. 12: 16, 18).

The following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included: "It should be thoroughly understood that all men have one Mind, one God and Father, one Life, Truth, and Love. Mankind will become perfect in proportion as this fact becomes apparent, war will cease and the true brotherhood of man will be established," (p. 467).

Mr. and Mrs. G. D. Maphet entertained at a dinner last Wednesday in honor of Mr. and Mrs. William Lindsay and son Andrew.

Mrs. George Rogers left on Saturday for a week's vacation at Santa Cruz.

Senorita Elena Imaz Iparra-guirre is a cultural exchange student from Argentina who is attending Mills College. During the summer session just completed Senorita Imaz taught Elementary Spanish conversation and Spanish dances from the Argentine while proceeding with her studies at Casa Pan-Americana. She was a favorite with the art students for whom she graciously posed in her colorful costumes.

For the past five years Senorita Imaz has been a dancer at the Buenos Aires Opera House. On the evening of August 4, she gave a program of eight Spanish dances at Lissner Hall, Mills College, which was enthusiastically received by East Bay artists as well as the faculty, student body and their friends.

Refreshments will be served by hostesses in Spanish costumes, headed by Mrs. E. C. Dawson, president of the Ladies Guild. The public is invited to come and enjoy this outstanding entertainment.

Tickets, priced at 50c plus tax may be secured in advance from Mrs. Ford and Mrs. James Whipple. As the accommodations at the Church are limited, those who relish an evening of unusual distinction should procure their tickets in advance. The proceeds from the affair are to be used to pay for the bricks laid last spring in the patio at the church.

THEY FEED THE FURNACES of WAR

Natural Gas Workers Fight, too, for Victory

WHEN PEARL HARBOR plunged the United States into war, this utility company was prepared. No mobilization orders were necessary.

Our men, already working at full capacity, were ready. And among these non-military forces, trained by years of experience, one mighty important division is composed of the Gas Workers. They are men from many skilled crafts—engineers, chemists, gas technicians, compressor operators, pipe fitters and layers, trench machine drivers.

Their job is a big one. They must maintain a system of thousands of miles of transmission and distribution pipe lines, through which natural gas from the oil and gas fields of Central and Northern California is carried. They must deliver a constant flow of gas to the war plants in this extensive territory—to the steel furnaces, the shipyards, the cement plants, the shops and factories where production requires efficient heat.

Millions of cubic feet also must be supplied for the making of metallic magnesium. At the same time, the Gas Workers must maintain service to the cooking ranges and the heaters of 600,000 homes and supply the other fuel needs of some 3,000,000 people.

They are doing all this, laboring day and night, worthily carrying their share of the fight for Victory.

Correspondent

Voters at Newark are asked to be sure and vote at the polls on Tuesday, Precinct No. 1 will be located at the Newark Fire Station; Precinct No. 2 at Silva's basement on Thornton Avenue near the Fire Station; and Precinct No. 3 at the Newark School. Polls will be open from 6 a.m. to 7 p.m.

The Newark Sportmen are making plans for their dance at the Newark Pavilion Saturday night, September 19.

The S.E.S. Lodge of Newark held an important meeting Monday evening at the Newark Pavilion. John Meneze of Newark is the most recent member of this lodge to enter the armed forces.

Mr. and Mrs. W. J. Gould spent Sunday at the home of Mr. and Mrs. R. Podva in Danville. Mrs. Podva is a postmaster there.

Eugene Pashote and William Gould of Newark, Ernest Walker of San Jose, and Wesley Peterson of Los Gatos spent Sunday at Big Trees and Santa Cruz.

The Newark Fire Department extinguished a grass fire near the residence of Mrs. J. R. Truscott on Sunday at noon. The fire started from rubbish burning in an incinerator.

LANDLORDS MUST PRODUCE COPY OF RENT CERTIFICATE

(Special to the Register)

Landlords in the San Francisco-Bay Defense Rental Area who failed to register for the federal rent-control measure before the deadline of Aug. 15, will face serious embarrassment when they re-rent their properties in the future.

Murray R. Benedict, rent chief, pointed out today the law provides that a landlord, upon demand of a new tenant, must produce a copy of his registration statement showing the legal rent and facilities included in the rent. Further he must notify the rent director of the new occupant.

Benedict said however, that if any property owner can show "a reasonable excuse" for having failed to file before the deadline, his statement would be received without prejudice.

The August 15 deadline applied only for landlords of dwelling units "other than hotels and rooming houses." Operators of these establishments now are filing. The deadline is midnight, August 31. Hotel and rooming house owners may file at 328 13th St., Oakland or with the Chamber of Commerce in San Jose.

CLASSMATES MEET

IRVINGTON — Mrs. Frank Olando has been visiting her mother, Emma Harlan for two weeks, returning home Sunday with her husband and daughter, Bettie who motored down from Tranquility. Mrs. Frank Olando, Jr. with her daughter and son of San Francisco and Mrs. James Evens and three children, James, Bobby and Betty, of Oakland visited at the home of the former's mother. They were classmates in school as children.

Mary Virginia Bristow, who has been attending summer sessions at San Jose State College is now home for vacation.

Miss Beverly Nevis spent a week visiting Mr. and Mrs. Louis Martel at Richmond.

Miss Jacquelyn Martin spent a week visiting Mr. and Mrs. Frank King at Oakland.

Mr. and Mrs. John Vierra, former residents of Newark, are now living in Manteca. Vierra is operating and managing a dairy at Manteca.

ORGANIZATIONS WANT GLEASON FOR SHERIFF

Endorsements from labor, the medical and dental profession, the clergy, educators and various organizations from all parts of Alameda County urging the return to office of Sheriff H. P. (Jack) Gleason at the primary election next Tuesday were received at the Gleason headquarters today.

"Keep an experienced, capable peace officer on the job during these critical war times," was the theme of the endorsements.

Charles W. Real, vice president of the California State Federation of Labor and secretary-manager of the Brotherhood of Teamsters and Auto Truck Drivers, Local 70, said, "Sheriff Gleason has stamped himself a friend of labor by his administration of the sheriff's office."

Harry Rizzo, president, and Hal P. Angus, secretary of the Cannery Workers Union of Southern Alameda County Local 20843, C.I.O., signed a resolution which declared, "on motion of Brother Ernest Sabina, Southern Alameda County Cannery Workers Union, Local 20843, indorses unanimously Sheriff Jack Gleason for re-election to the office of Sheriff of Alameda County and urges all of its members and friends to vote and work for the election of Sheriff Gleason."

From the medical and dental groups and the clergy came endorsements of Sheriff Gleason urging his return to office because during these critical war times adequate public safety can be given only by an experienced and efficient peace officer.

Praising the strict adherence of Sheriff Gleason to the merit system of Civil Service in making his appointments, L. J. DeToro, manager of the California Extension Service, said, "My personal belief is that we could not find a better man for the job and I do not hesitate to urge his retention as Sheriff of Alameda County."

Newspaper and periodical Circulators and Drivers Union of Alameda and Contra Costa Counties, Local 96, endorsed Sheriff Gleason. Their endorsement read, "Sheriff Gleason knows, as a member, the problems of organized labor. As Sheriff of Alameda County, therefore, organized labor can rest assured that the interests of organized labor will be safeguarded by Sheriff Gleason."

Sheriff Gleason, who prior to entering the Sheriff's Office, was business representative in San Leandro of a metropolitan newspaper, is a member of the union.

ALAMEDA OFFERS FLOWER DISPLAY THIS WEEKEND

The huge gymnasium of Alameda High School, in Alameda, will be converted into a veritable Garden of Eden when the 1942 Alameda Dahlia and Flower Show is presented on Saturday and Sunday, August 22 and 23. Admission will be free.

The eye-filling features scheduled are expected to attract thousands of Northern California flower lovers to the show during its two-day run.

One highlight will be the initial public showing of rare fuchsias grown in the City of Alameda nursery. The plants were cultivated at the suggestion of Alameda's former mayor, the late Henry A. Weichhart, who was himself a fancier.

An artistic and helpful demonstration of modern flower arranging and colorful displays of countless varieties of dahlias, begonias and gladioli by more than 50 prominent Bay Area flower growers will also stir interest.

Special musical programs featuring Paul Leiber, San Francisco Opera Company star; Ruth Myall, soprano, and Private Robert Rutledge, U.S.A., baritone, and lectures by gardening experts including Colonel Richard T. Eddy, dahlia authority, will augment the annual affair.

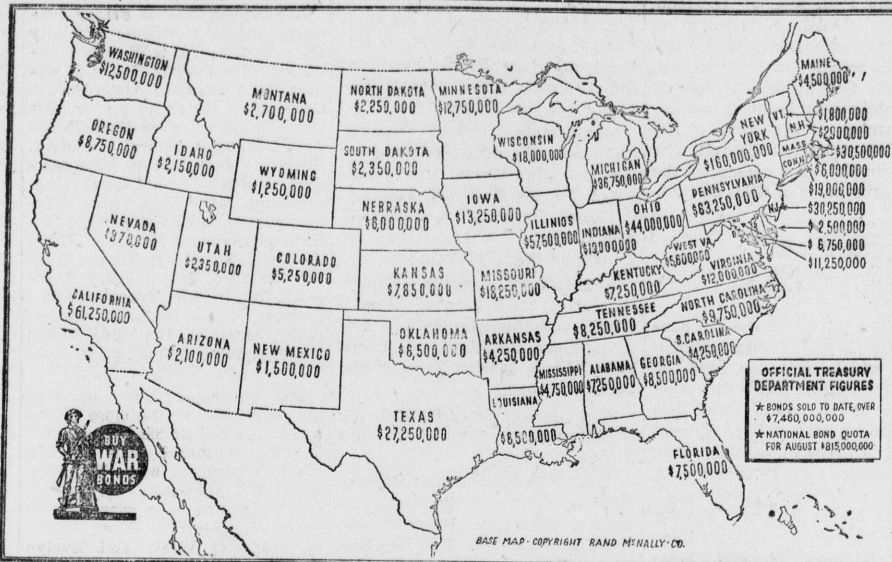

Show time on Saturday will be 2 to 10 p.m. and on Sunday, 10 a.m. to 10 p.m., according to Daniel C. England, of Alameda, Manager.

Alameda County and city leaders will take part in the official opening of the show at 8 o'clock Saturday night.

Still other features will include display of cactus and other succulent and driftwood novelties. The

Official U. S. Treasury War Bond Quotas for August

Washington, D. C., August 5.—While maintaining a tentative annual level of twelve billion dollars as its goal, the Treasury Department today fixed the August quota for the sale of War Bonds at \$815,000,000 as shown by the accompanying map by states.

In lowering the quota from a billion dollars in July to \$815,000,000 in August, the Treasury has given recognition to certain factors which may be expected to result in variations in sales over the 12-month period, such as the seasonal character of farm income.

These factors have been taken into account in determining each state's share for the national quota for August and will be given consideration in fixing quotas for subsequent months.

In addition to the state quotas as set out in the map there is a federal payroll allotment quota of \$9,750,000 and territorial quotas as follows: Alaska, \$760,000; Canal Zone, \$213,000; Hawaii, \$4,800,000; Puerto Rico, \$440,000, and the Virgin Islands, \$17,000.

U. S. Treasury Department

immense gymnasium will be additionally decorated in red, white and blue.

The 1942 show will surpass each of its 18 predecessors, according to David E. Graves, Alameda Dahlia Society President. "Every flower grower and admirer owes it to himself to attend," he added.

H. B. RILEY SEEKS RE-ELECTION TO IMPORTANT POST

State Controller Harry B. Riley, candidate for re-election at the August 25 primaries, has saved California taxpayers \$12,500,000 in the last six years.

As guardian of the treasury Controller Riley holds the purse strings on the expenditure of state money. Unless a claim for services or supplies furnished the State is legal and proper Controller Riley refuses to pay.

Last year Riley rejected improper claims totaling more than \$3,000,000. He functions as the State's chief financial officer, making an independent audit of all bills before they can be paid. Through his responsible hands pass more than a half billion dollars every two years.

State Controller Riley is one of the busiest men in State government. Without fanfare he directs one of the most important of State departments, serves as a member of twenty three boards and commissions and performs a wide variety of duties vital to the people and the efficient operations of their government.

Besides guarding the State Treasury against improper ex-

penditures Controller Riley is the State's chief bookkeeper, keeping careful record of 4,500 separate accounts.

Riley has the responsibility of collecting \$80,000,000 worth of taxes each year. He administers the gift and inheritance taxes and collects the gasoline, transportation license, insurance, gas and petroleum and alcohol beverage taxes.

Controller Riley, as custodian of all property deeded to the State for nonpayment of taxes, is California's principal landlord. He has charge of 2,000,000 acres of farm, ranch and timber land and 100,000 city lots. In the last three years his office has been instrumental in the return to the tax rolls of more than \$10,000,000 worth of such land, thus relieving the burden on other taxpayers.

Annually the Controller refunds to more than 80,000 farmers, aviators, boat owners and others \$5,000,000 worth of taxes paid on gasoline not used on public highways.

The Controller also is a statistician compiling detailed reports on revenues and expenditures of state, county, city and district units of government. It is his duty also to sell warrants when necessary to finance the general fund of the state.

RALPH E. HOYT SEEKS REELECTION AS DISTRICT ATTY.

On his outstanding record of honest and efficient public service, Ralph E. Hoyt, District Attorney of Alameda County, is seeking re-election at the primaries to be held Tuesday, August 25.

With wholehearted approval of the impartial and capable manner in which he has carried on the function of his office, numerous civic, fraternal and other organizations as well as individual citizens from all walks of life have pledged their support.

They point to Mr. Hoyt's proven ability, fairness and long experience in administering the duties of this important office as assurance that by his re-election the high standards of law enforcement prevailing in Alameda County will be maintained.

Indicative also of the high regard in which he is held by the members of his own profession, his candidacy has been endorsed by an overwhelming majority of Alameda County attorneys.

Mr. Hoyt was first elected District Attorney at the 1938 primary election. Previous to that he served for thirteen years as Chief Assistant District Attorney, and in that capacity gained experience in handling all phases of the work of the office.

This background of experience, his many supporters point out, is of utmost value in the discharge of the varied and complex duties of District Attorney.

Mr. Hoyt has pledged himself to continue to administer the office without partisanship and without relaxing the effort necessary to the security of life and property in this county.

To the normal duties of the office new responsibilities have been added by reason of war conditions, and under Mr. Hoyt's leadership plans were developed long before this country entered the war to provide a maximum of civilian protection in the event of disaster, and to effectively combat sabotage in this county.

A native of California, Mr. Hoyt is a graduate of the University of California and its law school. He is an overseas veteran of the first world war.

DEFENSE WORK

Due to several bills passed by the California Legislature directly as a result of the work of Senator Arthur H. Breed, Jr., California's defenses, both war and civilian, are ahead of schedule. Just one year ago, there were hundreds of alien Japanese fishermen strung out along the entire California coast line, dominating the commercial fishing industry. As proven these "fishermen" were mostly Japanese army or navy men, and their boats were capable of crossing the Pacific Ocean. In peace time the U.S. Navy was powerless to prevent them from operating around the vessels and ports of the Pacific Fleet.

To remove this potential threat, a bill was passed by the State Legislature, spearheaded by Senator Breed, which definitely controlled these Jap fleets. Consequently there was no Pearl Harbor on the California Coast. Again in January 1941, Senator Breed introduced the anti-sabotage bill which is now law, endorsed by many labor leaders, the U.S. Attorney General and California's Attorney General. A quick check of the past legislative record, will show many other pertinent legislative matters and activities of Senator Breed, directly bearing on conditions today as he anticipated them.

It was because of the foresight of Senator Breed and his abilities along defense lines that Senator Wm. P. Rich, President Pro tem of the State Senate, appointed him as chairman of a sub-committee of the Legislative interim budget committee, dealing with the defense needs of the various cities and counties of this state. This committee has been collecting information and data for several months and will submit its recom-

Signalling the mounting volume of rank and file Democrats switching away from Olson leadership, Democratic Assemblyman Jack B. Tenney, well known Musicians Union Leader in Los Angeles and legislative investigator of subversive activities, strongly opposes Governor Olson's reelection.

Tenney was one of the governor's staunchest supporters at the beginning of the Olson administration. This is what he has to say:

"There can be no real Democracy within the Democratic party in California so long as its control rests with the present leadership. There is no room for independent thinking or wholesome opposition to the MACHINE.

"Olson has mistaken leadership for ownership. A change is absolutely necessary. Olson must go!"

Tenney's position is endorsed it appears by thousands of Democrats in California. Significantly, Democratic leaders head more than half the County Committees active in the Warren campaign for Governor.

"Democrats," declares Jos. J. Rosborough, former Oakland Postmaster and Democratic leader, "should ponder well the words of Assemblyman Tenney, an outstanding leader in our own party."

"In this time of great national emergency, President Roosevelt has asked that petty partisanship be adjourned for greater responsibilities. California needs an administration pledged to that principle. Earl Warren, whose integrity has never been questioned, pledges such an administration. And Warren has never been known to break his word."

OAKLAND — Argyle Campell, Monterey attorney and former Chairman of Democratic State Central Committee, visited the headquarters of Congressman Carter to wish him well in his campaign. He stated in an interview, "I have had occasion to visit the National Capitol on a number of occasions and found Congressman Carter most helpful. His interest and familiarity with the California problems and his close contact with those in authority makes him a most valuable man."

Campbell a former chairman of the Democratic State Central Committee and widely known in Democratic party affairs in this state, paid tribute to Congressman Carter's ability to get things done because of his high standing in the House of Representatives.

"I have always found him able and willing to work for the things which need attention, and his record of performance on California problems stands high."

"When the world crisis arose, President Roosevelt did not stop at party lines in selecting men to conduct this war for him. He appointed Henry L. Stimpson, secretary of war, and Frank I. Knox, secretary of the Navy, both Republicans."

"I do not believe the American people care a hoot about what party a man belongs to at the present time. I believe they are for the old adage 'Don't change horses in the middle of the stream' during this present emergency."

"Democrats and Republicans have joined in sending Mr. Carter to Washington where he has achieved an enviable record of accomplishments. They would not have kept him there unless satisfied that he is fair, able, loyal and honest. In my opinion it would be a sad error in judgment to replace a capable and tested representative with an untried man."

**EARL WARREN TO
BROADCAST NEXT
MONDAY AT 7:15**

Alameda county Democrats and Republicans will join forces next Monday in a giant Home Coming Rally for Earl Warren, non-partisan gubernatorial candidate, who will complete his campaign for election at the primaries in his home county.

A county wide dinner at the Hotel Oakland where Warren will address his home folk will climax the day long program arranged for the gubernatorial candidate. The speech will be broadcast throughout the state on a special Mutual Broadcasting System radio hook-up.

The dinner is scheduled for 6 o'clock with the broadcast of the speech starting at 7:15 o'clock Monday evening.

"Times for both the dinner and speech were set at an early hour in observance of the new dimout regulations governing the coastal areas including Alameda county," declared A. J. Woolsey, chairman of the Alameda County Non-Partisan Committee for Warren. "The plans for the early hours were set at the direct request of Earl Warren in order to permit those attending the dinner and address to reach home before dark, in compliance with the dimout regulations issued by the commanding officers of the armed forces on the West Coast."

"Earl Warren's Democratic neighbors of Alameda county are planning to show California that his home folks are solidly in support of him for our next governor regardless of party affiliations," declared Joseph J. Rosborough, life long Democrat and co-chairman of the Alameda County Non-Partisan Committee.

"Democrats of this county are casting aside party affiliations, to join with Republicans to give Earl Warren both Democratic and Republican nominations for Governor at the primary election next Tuesday."

Word was received in Newark Monday that Private HENRY MARSHALL of the United States Marines, now stationed at San Diego, is in fine health and wishes everyone luck here. He wrote to his mother here stating that he was to be transferred somewhere else along the Coast.

DON'T FORGET TO VOTE!

The California primary election is near—Tuesday, August 25.

It will be the first war-time election for the majority of voters. With the high premium that circumstances place upon the qualities of integrity, intelligence, experience and ability in this critical time when California is the foremost war-zone State, every thinking voter should scrutinize the records of candidates for all offices, from the governorship down. It is the voter's duty to his State and country to listen thoughtfully to the campaign statements of all candidates—to weigh and ponder their promises for the future against their past performances.

And it is his war-time duty to cast his ballot in accordance with his considered judgment—next Tuesday.

USED TO BE—when the young man attained his 21st birthday his folks usually presented him with a gold watch to celebrate his having achieved manhood.

This year, young men reaching only their 20th birthdays will be presented with a nice Induction Order, with the compliments of their Uncle Sam.

THE NAZI'S slogan: "Heute Europa, morgen die ganze Welt." (Today Europe, tomorrow the whole world.)

Now, subsequent to the Atlantic Charter, the nazis view the Roosevelt-Churchill post-war world peace plan as a "Ruse-velt"!

NOTE TO American Legion Post: how about scrapping those unsightly cannon outside the Niles and other Township firehouses, and turning them into munitions to fire at the Japs? These old field pieces are not ornamental; at least let them be made useful!

BROMIDES.

The thinking American public must police up its thinking and its terminology in order to develop the proper attitude towards this war.

It is no longer an "allout" war: it is an ALL IN war... and so we are: ALL IN IT, in one way or another.

The mawkish British expression "for the duration" is negative. School yourself to say instead: "UNTIL WE WIN"! That's positive, and exciting.

Don't supinely say "After the war." Say "After we WIN the war." For win it we will.

To the familiar and popular "over there" (meaning in Europe) of the last war we have to add a new "Out There", meaning the Pacific, for this war. Probably a million of our boys are now "Out There" at the many far-flung Pacific fronts.

"Theatre" and "operations" are still terrible misnomers for scenes of action, and active fighting. Old soldiers would turn over in their graves to hear

the word "theatre" meaning a place of amusement, applied to bloody battlefields. Only surgeons operate: troops fight.

Guard your thinking, Mr. and Mrs. America (and all the ships at sea!) and like George Washington advised: "Think twice before you speak once." Again: "I am master only of the unspoken word."

So watch what words you use; choose them carefully, and only use the words which truly express or accurately describe the state or condition at issue.

The Japanazis are masters of mental perversion; let U.S. become masters of Truth and Light, as expressed in words!

SHABBY.

Congress is properly acting to have allotments to dependents of men in service paid at once. The Ruling Dynasty has ordered payment begun after November 1, (which is just before general election day.) The coincidence somewhat resembles former WPA allotments of vast sums of money just before election, so the voters "would not kill Santa Claus."

Very adroit politics, but, millions of dependents need the money NOW. The departmental excuse is that payments must wait another 50 days until office machinery can be set up.

No mention was made of delaying sugar rationing until machinery to keep records on the entire population was set up. Allotments to dependents only concern about 1-100 th of our population.

Playing politics at the expense of public welfare is never sound policy. This observer hopes Congress will force payments to begin at once.

TIDE IS TURNING

Broadcasts picked up from Tokyo radio indicate the Japs realize the tide of war is turning against them. For one thing, they fear a shelling of their homeland by our Navy; or an invasion attempt.

They admit their era of conquest and expansion has ended, and they are now embarked on an era of consolidating and exploiting their stolen gains.

As a matter of fact, the daily sinkings of their ships plus the daily destruction of their air-planes, here a few, there a few, far exceeds their capacity of replacement.

Our Marines are well established now in the Solomons and are beginning an era of reconquest of neighboring islands; which is what we expect.

Any threatened Japanese invasion of Australia now seems out.

Uncle Sam and The Boys are in there pitching, the war is nine months along, God IS the heaviest artillery and He is our invisible Ally.

FAME IS FLEETING

Less than a year ago Big Bill Knudsen of Big Business was a Big Shot. When he lacked authority he was made a lieutenant-general.

SWEEPING the nation is a rousing new song, "Fight for Freedom," with words by Kenneth Webb, well known New York producer of radio shows, and music by Harold Levey, formerly musical director for Warner Bros. who, as publishers of the song, through their division, M. Witmark and Sons, have donated 10,000 copies to the Fight for Freedom Committee. (Copies may be obtained from the Fight for Freedom Committee, 1270 Sixth Avenue, New York City, by sending ten cents to cover postage and packing costs.)

The lyrics of "Fight for Freedom" follow:

One and all,
Hear the call,
Hear the call of Liberty,
Ringing clear,
Far and near,
To the sky!
Through the night,
Shining bright,
Freedom's torch is kept alight
As we sound our battle cry—

Fight, Fight for Freedom,
Stand by your guns.
Liberty is calling to
Her daughters and her sons.
From hill and valley,
From shore to shore,
Anything worth keeping
Is worth fighting for.

Land of the free,
Home of the brave
To Tyranny,
Who'll be a slave?
Our pledge shall be
Rather the grave
Than lose our land of Liberty.

Fight, Fight for Freedom,
Keep her torch bright.
Every land of Liberty
Must battle for the right.
As our forefathers
In days of yore,
Anything worth keeping
Is worth fighting for.

Fight, Fight for Freedom,
Where is your pride?
Will you lose the Liberty
For which your fathers died?
Wake from your sleeping,
Now we implore,
Anything worth keeping
Is worth fighting for.

ant-general. His work still was not good enough so the WPB was created around the foundation he laid and Donald Nelson was placed on top. Leaving capable Big Bill just a memory.

Nelson has been WPB chief only since spring. Now some certain Congressmen who say he lacks the force and dynamic quality of our fellow-Californian, Henry Kaiser. So this group is sniping for a change.

Maybe Miracle Man Kaiser will be the next WPB chief and Nelson will find he has had his day in the sun. The Washington scene in these war days changes like a chameleon, which is democratic and right. The best man has to win and the best brains have to be used.

Which still leaves Herbert Hoover a relic of the "hoarse and buggy" days, when the people shouted themselves hoarse as the stock market went buggy.

Hoover is a great executive and FDR should bury the hatchet and offer our only living ex-president a portfolio of importance.

DOING THEIR BIT

Women and girls over 16 here at Niles, many of them people who have never worked out before, are putting themselves to considerable inconvenience, such as getting up at 4:30 a.m. in order to help with the peach-canning rush at the Booth Cannery in Centerville.

In one case the father, a retired businessman, is holding

down two jobs, and the daughter one job. The wife and mother prepares two meals per day for the husband at certain hours and two other meals per day for the daughter at other hours. This family, and many more like them, reveal the American Spirit at its best. They are doing their personal parts as best they can to help win this war.

Oddly enough: while Centerville, Decoto and Hayward canneries are crying for workers, unemployed women and girls still line up in long queues outside San Jose canneries, trying to "get on."

If the San Jose surplus could be transported to Washington Township and Hayward the canneries would get their help and the women and girls would get employment.

The usual problem of distribution sticks in its thumb here, as it so often does.

"THEY ALSO SERVE..."

Nearly 10 percent of the 1, 100,000 Legion members are in active service in the armed forces of the United States, and more than 300,000 sons and grandsons of veterans of the last war are now in service.

This is a proud beginning for men who are all past 40 years of age, and many of them past 50.

THE AMERICAN LEGION has undertaken a national campaign to share your car with others, using the slogan the "4-in-1 War Clubs"; meaning four persons riding in one car. A

little inquiry around your neighborhood will show a surprising number of people wishing to go your way at the same time you want to go.

"Rubber around" a bit if you really want to save rubber: your neighbors' as well as your own.

WHAT ARMISTICE?

What Armistice are we supposed to celebrate next November 11? The one that has now blown up in our face? If we are going to "Remember Pearl Harbor" (another bromide!) we will have to "Forget Armistice Day."

The Allies granted an armistice November 11, 1918 to the spent German-Austrian forces so things could be talked over and patched up in the Hall of Mirrors at Versailles. (Your scribe has been there.) It was Talked over and patched up. And how!

Skipping over all the nazi perfidy since, aided and abetted by the Japanese treachery, to celebrate THAT Armistice Day now is like sitting on the grave after the corpse is buried.

What good does it do? Life has to go on for the living.

The Armistice granted the Germans those 22 years ago, in the light of today's events, has become a rousing insult to U.S. and our Allies, new and old. Italy and Japan were on our side in the last war. Where are they now?

Congress should wipe this former national holiday off the statute books and wait until we can celebrate the future anniversary of the future World Peace Day, as we now celebrate the immortal Fourth of July.

The only way any sane American can "celebrate" the approaching November 11 is to decorate the graves of the dead from the last war, and comfort the wrecks from the last war still existing in national hospitals all over the nation. Is there anything to "celebrate" about THAT?

There is nothing glorious now in our generous gesture of 22 years ago; greater fools, we, for having granted it. When bigger and better wars are started Germany will start it as usual; and the Allies will win it again, as usual. The coming World Peace Day will be final, dramatic and binding, and we will dictate it.

This next time The Victors will dictate to the vanquished... and Italy and Japan will only peep very faintly.

THE NAVY announces that 22 Japanese warships have been sunk in Kiska Harbor in the Aleutians. That makes easy reading.

The Navy also announces the lowest toll since April of Allied shipping sunk last week. This means either that the nazis are running out of submarines, or crewmen, or fuel, or all three. There have been no sinkings off the Atlantic Coast for more than a week.

Hitler has stupidly alienated Brazil by sinking five of their non-combatant vessels in a week. The Brazilians are ready to break off relations and declare war. Nazi nationals about to be sent back to Germany have been kept in Brazil instead.

It is very apparent that the nazi sub commanders, consumed with their lust to kill and destroy, have orders to sink everything in sight, regardless of

what flag it flies. So evil will defeat itself!

ONE FOR THE BOOK

The most exciting tale yet to come out of this fantastic war is brought from Tokyo by a returned correspondent. It seems a Yankee sub had prowled Tokyo Bay looking for ships and it spotted a brand-new aircraft carrier high and dry on a shipyard's ways.

With its oil and supplies running low the commander took a last look-see through his periscope and beheld a launching celebration. He got set and just as the shiny new carrier slid into the bay with appropriate noise and ceremony he caught it with two "tin fish" (torpedoes) and the costly new vessel kept right on going... down to the bottom of Tokyo Bay.

The Yankee submarine made good its escape and can you imagine the consternation among the squidgy-nosed skibbies?

This is a corking yarn and one that makes you feel good inside. Verification will come from the Navy in due time.

FUNNY. FUNNY.

Boake Carter, noted radio commentator is seriously embracing the Biblical Hebrew faith under the belief that only by reviving and practicing the Hebraic law as taught through Moses, particularly the ten commandments, can the United Nations win this war.

Well — one of the ten commandments is: thou shalt not kill. Inasmuch as this war cannot be won — short of a divine manifestation — without killing and being killed, how does Mr. Carter's new undertaking add up?

It doesn't. Jesus brought but two commandments, both greater than the ten delivered to Moses by The Lord God, and the second one says: Thou shalt love thy neighbor as thyself.

When the enemy practices the Golden Rule we will practice it, too. Until he does we are obliged to kill more of him than he does of us, and so win the war.

Only God can conclude this war any other way, and our friend Carter, while undoubtedly sincere, is about to waste his time.

GENERAL ARNOLD, chief of the Army Air Force, says our goal of two million men flying 185,000 fighting planes is being fully met. The U.S.A. will soon have more planes in the air than all other nations combined. America, you should know, always leads.

DIM-OUT CLOSES TOWNSHIP'S 1942 SOFTBALL SEASON

BENEFIT GAMES PLANNED FOR NEXT WEEK CANCELLED BY ARMY RULING

Newark — Due to the Pacific Coast dimout that went into effect Thursday evening, which prohibits lighted night ball fields, it was necessary to cancel the Navy Relief game that was scheduled for next week. This benefit game was to consist of one all-star team of the Township to play the United States Navy men from Mare Island, and a second all star team was to play the Alameda Girls Champs on the same evening, which would have made a swell double bill.

The final playoff games that came to an end on Wednesday evening were to consist of a three game series as published recently, but due to last minute changes it was agreed by both clubs to have a five game series. This fifth game was played Wednesday evening — watch next week's issue for full particulars and the last softball story by Eugene Pashote.

Following are the results of playoff games:

On Monday evening, August 10 Woodmen nosed out Native Sons in the first game of the playoff by a score of 3 to 1. Larry Rogers, winning pitcher, allowed one hit. Made by Tony Ornellas, pitcher for Native Sons. Woodmen for the third straight time in the playoffs scored runs in the opening frame. In this game they scored three in the first which was enough to win the game as their pitcher L. Rogers pitched smooth ball during the entire game.

On Wednesday evening the

Woodmen won their fourth straight game in the playoff when they defeated Native Sons by a score of 5 to 1. Woodmen scored an all-time record in the Township league and playoffs by scoring at least one run in the opening frame of four consecutive games. Woodmen's two runs in the first were scored as follows: Weldon Pine, who stole first base four times during the evening, was issued a walk Pine stole second and advanced to third on a wild throw; Guterrez second batter pulled one of the finest squeeze plays during the 1942 season on a perfect bunt scoring Pine, and beating out his own bunt for a sacrifice hit; Guterrez then stole first, and advanced to third by stealing second; George Smith walked; Andrade singled scoring Guterrez for the second run. Incidentally Weldon Pine holds the record of stealing second base four times in succession.

In the third inning Native Sons scored their run after L. Amaral had walked and scored on Rufus Lebon's triple to deep left field.

R. Lebon on this long drive tried to stretch it to a home run but was thrown out at the plate by a quick throw from Weldon Pine at left field.

Native Sons defeated the Woodmen for the first time in the five game series Friday evening 1 to 0 in a fast and thrilling ball game making it possible for a fourth game of the final series to be played on Monday evening. Tony Ornellas, pitcher for Native Sons allowed two hits, a single by Guterrez in the fourth inning, and a single by Weldon Pine in the seventh. Native Sons scored their winning and only run of the game in the second when Lebon walked and scored on Azevedo's base hit.

Lieut. FRED ROGERS of Centerville has been assigned as commanding officer of an air field in the Middle West, according to word received by his father, Fire Chief Fred Rogers.

NEWARK TO PICK UP HEAVY SCRAP SUNDAY, AUGUST 30

NEWARK—Any Newark people having bulky scrap metal in their possession, who are not able to bring it to the Victory Scrap Metal pile at the rear of the Newark Fire Station on Ash street, are asked to leave their name at the Newark Fire Station with Chief Joe Pashote. The Fire Department is now making plans to pick up such scrap metal that is bulky and heavy on Sunday, August 30.

The funds of this Victory Scrap Metal Drive will be turned over to the Newark Observation Post, in order to help maintain this Post, located on Wells Avenue.

458 BOYS REGISTER IN YOUNGEST DRAFT

The 458 boys, 18-20, who registered in the recent fifth registration have been listed in the order of age at Draft Board No. 75 but it will probably be two months before any of them will be classified for call. Only 80 of the group are 20 and subject to call. The oldest of these is Ernest Cipriano Morales of Niles, born January 3, 1922. The youngest of the boys is Clifford Irving Cahalan Jr., of Pleasanton, who registered, on his 18th birthday, June 30, 1942.

More than 1000 men in the third registration still await classification before those of the recent registration are classified. A total of 11,569 men from Southern Alameda will be classified before Morales' name comes before the board.

UNITES HELD FOR NILES RESIDENT

Funeral services were held last week from the Hayward Mortuary for Mary Secada who died in San Jose Saturday. She had made her home on a ranch near Niles for many years. She leaves a husband, John, and a son, Clairmond Secada. Interment in Holy Ghost Cemetery, Centerville, followed a requiem mass at the Holy Ghost Church.

Sugar stamp No. 8 is good for five pounds of sugar between next Monday and October 31, the OPA announces.

NAVAL COMMANDER HONORED FOR COMBAT HEROISM

Commander Earl L. Sackett, 44, a nephew of Mrs. Charlotte Gough of Niles, was awarded the Naval Cross at ceremonies conducted July 24 at the San Diego Naval Station. He commanded a submarine which did notable work prior to the fall of Bataan.

The following account is copied from the San Diego Union of July 25:

For heroism in "combat with the enemy," Commander Earl L. Sackett U.S.N., commanding submarine repair unit here, yesterday was awarded the Navy Cross. The presentation was made by Rear Adm. R. S. Holmes, U.S.N., 11th Naval district commandant.

In impressive ceremonies witnessed by more than 600 officers and men, the 44-year-old officer was lauded for heroism while he commanded the U.S.S. Canopus, a U.S. submarine tender.

Reading the formal citation in behalf of the secretary of the navy, Holmes said the coveted award was being made to Sackett for "heroism in combat with the enemy during the period Dec. 7, 1941, to April 9, 1942, as commanding officer of the U.S.S. Canopus."

CANOPUS SCUTTLED
"While exposed to frequent horizontal and dive bombing attacks by enemy Japanese air forces", the citation continued, "Comdr. Sackett directed the anti-aircraft batteries of his ship and conducted operations of strategic importance involving hazardous missions such

as bring great credit to his command and the United States naval service."

The Canopus, previously damaged, was ordered destroyed last April 9, when it became apparent that the increasing weight of enemy numbers, combined with the fatigue and exhaustion of U.S. forces, made imminent the fall of Bataan.

N. C. Hero Honored

Sackett was a member of the U.S. Naval academy's 1920 class. He entered the academy from Nampa, Ida., after spending his earlier years in Cumberland, Wis., and Bancroft, Neb. His wife and daughter Miss Maidie Sackett, were present at yesterday's ceremonies. Sackett's mother, Mrs. Samuel L. Sackett, resides in Los Angeles.

COMMANDER WINS NAVY CROSS FOR HEROISM IN JAP BOMBING

SAN DIEGO, July 24. (Exclusive) — For heroism while he commanded the U. S. S. Canopus, submarine tender, during combat with the enemy in the Far East, Comdr. Earl L. Sackett, 44, today was awarded the Navy Cross in impressive ceremonies witnessed by 600 officers and men.

Comdr. Sackett, now commander of the submarine repair unit here, received the medal from Rear Admiral R. S. Holmes, 11th Naval District commandant.

The officer is a graduate of the 1920 class at Annapolis. His wife and daughter, Miss Maidie Sackett, were present at today's ceremonies. Comdr. Sackett's mother, Mrs. Samuel L. Sackett, resides in Los Angeles.

YES, IT'S A WAR JOB

It has been lagging sadly for lack of the right man.

We voters are the employers. At last we have an applicant for the job who measures up.

Review his qualifications. Add up his experience, his record and his platform—the answer is the answer to California's pressing need of the moment:

Attorney General Earl Warren, Non-Partisan candidate for Governor, who pledges "a War Cabinet of the ablest men available for public service—without regard to party affiliations".

—A GOVERNOR TO UNITE OUR PEOPLE AND OUR RESOURCES

—A GOVERNOR PLEDGED TO GIVE A NON-PARTISAN ADMINISTRATION

—A GOVERNOR TO STREAMLINE CALIFORNIA'S WAR EFFORT TO HELP AMERICA NOW

—A MAN---GREATER THAN PARTY
